It is with great pleasure and privilege that I have to present to you our new antique carpet arrivals. I have spent the last 18 years working at Sotheby's with 18th Century wood & ormolu and now to switch to 19th/20th century wool, silk and metal threads has been a mind expanding journey. It has been a sheer delight to work with these remarkable utilitarian works of art. The designs are as diverse as the imagination is vast. I am in a constant state of awe at the differences in cultural designs, shapes, materials and colors, it has been a wonderful education and will continue to be so under the guidance of the highly motivating Nader Bolour and the legendary Doris Leslie Blau.
